
Digital insight for corporate communications

Who we are

We are an agency specialising in digital insight, advice and consultancy for corporate communications. We are an associate company of Brand Experience, a long-established marketing communications agency. Brandex Insight is headed by Stuart Bartram, who for 11 years led the corporate digital estate

at Aviva plc, one of the world's largest insurance companies. Alongside him, Stuart is able to draw on the combined expertise of experienced communication, digital, design and marketing colleagues Julian Steedman, Chris Donaldson and Ashley Spooner.

What we do

We very much like to work in a collaborative partnership, making sure we help you tell your company's story, aligning it to your business goals.

We offer consultancy and advice on

- digital strategy
- company websites
- mobile websites and apps
- corporate social media
- content strategy
- web video
- digital brand and identity protection

And as part of Brand Experience we can help with all digital communication and marketing needs, from pay-per-click campaigns to web development.

Plus we can design, build, host and manage your website.

Current Brand Experience website clients include...

Tokio Marine (Europe) – www.tokiomarine.eu

Kiln Group – www.kilngroup.com

European Financial Services Round Table – www.eifr.be
